“ *I've been trying to figure out how to share "A" memory when there are so many. Jackie and I met about 30 years ago and had become best friends. I know how she felt about her family and vice versa. I will keep you all lifted in prayer as you try to heal from your loss. No more pain and suffering as she is now with the Lord. Get your rest beautiful. Love you always, Angie.*

Jackie was such a wonderful person. She was always so sweet and funny. I met her through her Sister Robbie and immediately liked her. She treated me as if she had known me forever. She will be missed but at least she is no longer suffering. We spoke a couple of times during her illness and she fought hard but knew that if she lost this battle she would still have victory in death. May God comfort her husband Edward and her entire family during this time. ❤️🙏

“ *Jackie was my sister in law. We shared many great memories! When she visited P'cola she would stay at our home. One of my many memories of her will be at Thanksgiving time I would do the cooking for my family and she would call me to let me know not to make my potato salad until she get here, because she was my taste tester. She will truly be missed!*
