A Life Celebration by Franklin - May 19, 2024 at 02:12 AM

“ Aunt Sister was truly the life of my party. There was never a dull moment. I remember her being one of the most generous and loving person. I am so blessed to have been a part of her and she a part of me. My heart hurts but I am ever so grateful for the relationship and bond we had, even though we were distant by miles. I am going to miss her favorite words...that I won't say here 😭  
She was my butterfly and I'll forever carry her in my heart 🕊️🌸

“ Leon, prayers are with you and family in the Homegoing of Aunt Jessie Mae. Aunt Jessie Mae was always a joy to be around! She liked to talk and find out about family, she really cared. She helped our family out when we were younger many times. Aunt Jessie Mae is with our Lord now and her loved ones who have gone before.
