You finally made it, what an awesome gift of Life. I've always told you I wanted to be "Just like You" when I grow up. You kept telling me to " be like myself "  
Well I am me now, and I still wish I was more like you.  
I will continue to believe in the things you taught us as young women. I Thank God for loaning you to all of us.*

“ When I first meet Ms. Joan I called her Ms. Joan, because she was neighbors of my sister Carolyn. She was a wonderful person who loved the Lord and always had a smile on her face. May the Lord comfort you all at this time of bereavement

“ Mother Sutton was such a sweet person. I can not believe this and I was not prepared to hear this news. If you needed someone to lift you up, she was the one. She really poured into my daughter's life and was determined to bring out every gift. I am going to miss this lady right here.

*I have so many fond and fun memories of Joan. So happy, vibrant, beautiful, kind, loving and helpful to all. I recall her school days at Blackshear Elementary School with little sister Jeannie! A Christian God Fearing family that never failed to bring joy to everybody. Love ya Joan. Now you're resting with Mom Will, Grandma Lena, Aunt Mildred and more. I KNOW Heaven's Shouting! GOD Bless your family! Our sympathy and love always. Joe, Margaret (Pearson) and Joely Wright*

*My heart is heavy but my soul rejoices. Joan Sutton was my firend and my prayer partner. We have shared so much together...the good times like the God's Woman's Conference in California and the bad times like when one of our children were going through some stuff. She labored for Lord, now it is time for her reward. I will miss her dearly. But God knows best.*

*Always a beautiful smile and uplifting spirit was Joan. We worked together years ago and she was such a joy! Saw her occasionally and she carried that same joy through the years in praise and speaking about Our Lord. Our loss is Heaven's gain. My deepest sympathy to the family. Eleanor Roe*
