“ My sincere condolences to the Hernandez family. Be strong Jason, Joe will be with you always.

I first met Joe when he was in the 5th grade and I was a new teacher. He was always so serious, but friendly and the most wonderful thing was that he always had a book in his hand. When asked, he would share everything that he liked about the book in a way that would always make me smile. As he grew older, I was blessed to be able to work with him as one of his coaches in 4 sports, bocce, basketball, bowling and track and field. Joe was a fierce competitor and would put on his game face when he needed it. His desire to excel was rewarded with multiple medals when competing in the statewide competitions. He was very gracious in victory and in defeat and he was victorious more often than not. Joe was positive and upbeat about life and had various interests. It seemed that basketball and WWE were his passions. He could debate the attributes of his favorite team, player or wrestler and bring receipts when needed. His knowledge of professional sports was amazing. At times, he almost seemed like a walking trivia game with the statistics or achievements he would share with all of us. I was so very proud of him when he got hired at Applebee's and was able to congratulate him when he received his first paycheck. He even circled back as a young adult and let me assist him in making his first dental appointment as an adult.

Joe will be missed and has a special place in my heart as do you Jason. God, bless Joe and his family.

Rest in peace Joe.
