“ *Losing a love one is never easy. For me personally Joe was part of my family, he called me Aunt Toni I didn't get to spend a lot of time with him but the gathering, and invitations I had to the house as well as him catering and making sure my birthday party was special two years ago with Bri. Praying for the entire family may God give you the strength you need. God Bless on the behalf of "The Carraway - Smith Family"*

“ Rest In Peace to my friend and client Joe Robinson of @liljoessmokehouse and @houston\_fire! This one is a unexpected loss. When you came in for your usual grooming last week and we did our usual brotherly talk, I didn't expect it to be our last time together. Hell you were planning to bring us brisket to the shop A FEW DAYS BEFORE YOU PASSED! You allowed me to become an extra uncle to your amazing sons and even gave me the privilege to give babyboy his first haircut! You catered my bday/shop appreciation party last year with the plan to do it again this August. You are/were my friend and brother. Every time I see that black ford I'll always think of you. You were an excellent father and loved your family. I was and am honored to be apart of it all. You and “Ms. Bre” , REST ON FAM. REST ON!!!👊 Until we meet again... YOUR FRIEND, BROTHER AND BARBER....

“ *To The Robinson Family,  
My husband and I had the pleasure of knowing Joe through our son-in-law, Mike. He was an awesome guy and always had the same sweet demeanor whether I saw him at my family's home or out and about. We routinely raved about his cooking and would dare someone to challenge him. We were so very proud of him when he made captain and to see him continue to be a fine example for his boys. Joe is loved and is truly missed. My deepest sympathy to your family.*
