“ *Joe was my mentor and my best friend for over a decade. He was the first boss to ever really impact my life. No matter what city or state I lived in, he always found me. Joejoe was truly an integral part of my life. I loved him deeply and very much. He will always be a part of me and my life. RIP Joejoe* ❤️❤️

“ *Joe was a great teammate, I learned the meaning of Grambling's motto from him "where everybody is somebody". Joe treated everybody like they were somebody. His calm temperament and patience in the time of adversity are traits he had that I still strive to carry with me today. You will be missed.*

“ The family of Rev. Gary Eave sends its deepest condolences and sincere prayers to the Vallery family. There aren't mere words I as a man can express to ease the burden of your pain regarding the lost of your love one. However I know a man at some point and time will wipe all tears away. I thank God for a moment in time he allowed me to witness the gift he had placed inside of Joe to play baseball. His spirit of life touched us all and we're forever changed because our path crossed on a diamond in a place called Grambling.

“ My prayers are with you all. I will always remember Joe for his energy and competitiveness. He had a knack for making everyone around him better. You hated to play against him and loved him when he was on your team. He is missed. Be strong Quita
