“ Ms Julia will surely be missed. She had an amazing spirit and amazing love for the children and God. Even though I only knew her for a short period of time, but her advice and the knowledge she possessed was genius. She loved on my daughters beyond belief. I will miss her smile and advice.

“ Julia loved working with children. I remember how she would be there ready to help in many of our church activities. When my husband Arthur would do a play, perform with the band, or sponsor events with the kids, Julia would make sure She and Artie would be there to participate and help in any way. Salute to Julia for her service, love and giving.

“ *J.J. Seabrook will truly miss Julia Bunton! She was a trustworthy and kind neighbor, who would help anyone that crossed her path. It was a blessing to grow up on that street, knowing that she was there to watch over and share the role of 'Neighborhood Mom' to many of us kids. My prayers go out to Andy and Artie, my childhood friends. She will be dearly missed. Cherish the memories, remember the lessons taught, and know that God has her in His bosom. Love, Atwell*

My sincere condolences to the family of Ms. Bunton. Her beautiful smile and joyful attitude would always brighten your day as you came in contact with her on campus as a teacher at Stevens Mayo Elementary & High School in Hallettsville Texas. She did not teach me directly, however she was always cheerful & pleasant and a joy to meet on our campus. My prayers are with her family.

Ms Bunton came to Hallettsville, Texas as a second grade teacher at Stevens-Mayo School. She was a very kind person. I was in high school at the time. Rest in Peace.
