“ She was a beauty of many talents! Her smile and laughter would light up a room. Such a kind and loving soul! Dear friend, words could never express how much you meant to my family! Thank you for all the wonderful memories and love you shared. Every time she came to the house she brought something. Whether it was a pair of adidas slides, something from Trader Joe's or some ribs that had been marinating all night and ready for the grill. And those ribs were the truth!!! A giver indeed. To Earnie and family our prayers and condolences to you all. We love you and we're just a text and phone call away! Rest in Heaven my dear friend! I love you

“ Kammie was truly a beautiful person always laughing and smiling. I met her at CHS since I was always working the concession stand during basketball I would always see her. I went to a few games when her daughter played for UT. Her daughter Earnie was definitely her pride and joy they were very close. My condolences to Earnie and the rest of Kammie family and friends. I say this cause some friends are just like family. May Kammie rest in the loving hands of our Heavenly Father!
