“ *To my brother Kenneth, and sister Tracy, love you both. and i am very sorry for your lost. I only met La,Marquis two are three times. but the one time that i had a conversation with him i was convinced that he knew what he wanted in life. from the time is was talking about going to the service, to serve our country and the plans is had after he finished serving. he was and still is a bright young man that is now serving God's army. even tho we want and need you here, god needs you most. I love you, and i already miss the next conversation we would have had... R.I.P. your uncle RICKEY.*
