“ Even tho Larry was not my real Dad, The whole time he was wit my Mom he never treated me any different than my Sister which is his real Daughter, And when I had my 1st child, every time he got paid he would bring her something home after work, he always treated us good, After I got older An left Texas he always let it be known to me that when ever I came back to town, I always had a place to stay,if I needed it,I have so many memories growing up of him, he will be missed. Now you can rest An walk with the Angles..
