Lisa Ann Neal was born on June 18, 1964, in Elgin, Texas, the beloved first child of David and Mary Helen Ramirez. From the very beginning, Lisa carried a light that would shine brightly in the lives of all who knew her. As the eldest of eight children, she led with love, strength, and an unwavering devotion to her family. Lisa grew up in Elgin, attending local schools and graduating from Elgin High School, where her competitive spirit and joyful energy shone on the softball field, volleyball court, and track. She was baptized and received her First Communion at Sacred Heart Church, where her faith became a quiet but constant source of strength throughout her life.

Lisa was a tireless worker, starting her career at a young age at Austin State School and later

dedicating many years to the Health and Human Services Commission. To know Lisa was to feel seen, welcomed, and cared for. She was a loving daughter, sister, mother, grandmother, aunt, wife, and friend whose compassion knew no bounds. She married the love of her life, David Neal, on April 8, 1995, and together they raised her son, Shaun Resendez, with pride and unwavering support. Becoming a grandmother to Athena Resendez was one of Lisa's greatest joys, and she cherished every moment spent with her family.

Lisa found happiness in life's simple pleasures—playing softball and volleyball, challenging friends to a game of spades, cheering on her Longhorns and Dallas Cowboys, and making others laugh with her sharp wit and warm heart. Her smile could light up a room, and her presence brought comfort, laughter, and a sense of home. Lisa was preceded in death by her dear grandmother, Juana Nunez, and her brother, Michael Ramirez. Though our hearts ache with her absence, we are forever grateful for the time we had with her and the love she gave so freely.

She leaves behind her devoted husband, David Neal; her son, Shaun Resendez (Austin); and her precious granddaughter, Athena Resendez (Lubbock). She is also survived by her siblings: Guadalupe Ramirez (Pflugerville), David (Deborah) Ramirez, Xavier (Michelle) Ramirez, Albert Ramirez, Robert (Debbie) Ramirez, and Raymon (Lisa) Ramirez; her nieces and nephews: Brittany Ramirez, Kayla Ramirez, Zack Ramirez, John Ramirez, and Xavier Ramirez; great-niece Ariana

Ramirez; great-nephews Henry Krech, William Denman, and Ronin Ramirez; and a wide circle of aunts, uncles, cousins, in-laws, and lifelong friends who loved her deeply. Lisa's legacy of love, resilience, and compassion lives on in each of us. We will carry her memory forward, holding close the laughter, the lessons, and the love she gave so freely. She will be missed beyond measure-and remembered with every beat of our hearts.

“ *I was so very sorry to learn of Lisa’s passing. She was truly a bright light in this world. We worked together at Texas HHS, and during that time, she became my friend. Although we lost touch after she left to join a health plan, I carry only fond and loving memories of her.*

May the Lord grant her family His comfort and peace during this difficult time.

“ I was saddened to hear about Lisa's passing. Lisa will be remembered as a person of strong ethical character and deep faith, and it was an honor and privilege to have worked with her! She made everyone feel like family - I was able to see Dallas Cowboys in person because of Lisa, my faith felt renewed when I was in her presence and I always felt welcomed and loved by her! Heaven has certainly gained one amazing angel! May comfort be found in cherished memories and the unwavering support of faith during this extremely difficult time.

“ Lisa, this has been a really hard pill to swallow. You started off as my manager and turned into one of my best friends. Your grace, faith in God, love for your husband and all of your family have been an inspiration and heartfelt. And you extended your love, support, strength, intelligence, and guidance to the people you met, and it was an honor to be a part of that. I'm going to miss talking and working with you, your laughs, prayers, encouragement, our personal conversations, just everything about you. I appreciate your guidance and everything you taught me, and I will do my best to continue your legacy of work and make you proud, but we all know there's no one like Lisa Neal. And most importantly, I will keep your family in my prayers as my heart aches for them. You're no longer suffering and in a better place. Rest easy my friend. I will hold you dear in my heart. Love you always! Your friend, Adrienne
