“ *I'd been thinking of Lorn for a while now wanting to connect with her again, I'm devastated to see she's passed away. We grew up together as children went to school, lived in the same neighborhood. So long ago but i never forgot her, considered her one of my best friends.*

*Lorn Faye was awesome, she was strong motivated and determined with nothing but love for everyone such a beautiful soul I missed her so much when my family moved to California when i was 13. We stayed in contact for a little while, last time i saw her was in high school for a quick visit.*

*She was the kind of person thats unforgettable!!!!!!*

*My heart and prayers to her family and friends 🙏*

*Rest in peace dear Lorn until we meet again*

*Your childhood friend*
