“ *Grandma... It's almost been 7years.... Wow! And I still miss you like crazy. It's funny how this page popped up....not sure why...but I think I know why. I love you and miss you and not a day goes by that I don't remember you. I wished you could have met Beau...I wished you were able to see MaKK commission as an officer in the Army. I wish you could see how smart and mature all the little grand baby girls have grown. I know you are always watching over us and that you are always here in our hearts. Until I can hug you again, I'll always love you.*
