“ Ms. Sandy was loved by all who knew her during her distinguished career at The Office of the Secretary of State. She was far more than a teammate to me. She was a mentor with tremendous knowledge, a friend, a mother figure, and a grandmother figure when my child was born. She loved her family with all her heart. I will never forget the huge smile on her face when one of her grand babies did something to make her proud. Which was often. I love her, and I miss her dearly already. The world is a lesser place without her, and heaven is very lucky to have her.

“ I will never forget our moments at Denny's on Wednesday for breakfast, the times we cried together, the laughs we had together and the moments we told one another how we loved each other. You became my sister and my heart is hurting but I know you are taken care of. No more suffering my little sister. As our Father would say job well done. Love you always, Brenda Robinson.
