

Margaret Monreal

June 16, 1956 - May 14, 2026

Our beloved mother, Margaret Ann Monreal, age 69, was called home to be with our Heavenly Father on Thursday, May 14, 2026.

She is survived by her one and only daughter, LaShuna Marie Fox (William); her baby boy, Willie Anthony Rogers Jr. (Whitney); and, most of all, her life partner of 40 years, John Walter Franklin Jr. She also leaves behind her 22 grandchildren, 8 great-grandchildren, her two tias, Sis Eva Hernandez and Mary Martinez (Robert), her two loving brothers, Anthony Monreal (Teresa) and Richard Monreal (Melissa), her six nieces whom she loved deeply, and her favorite brother-in-love, Jerry Louis Thornton. She is also survived by a host of great-nieces and great-nephews, cousins, friends, and many others who truly loved her.

She was preceded in death by her parents, Marcelino and Beatrice Monreal, her son, Christopher Michael Rogers Sr.; her grandson, Z'ayden Rogers; her great-grandson, Kendrick Batts Jr.; and her grandparents, Maggie and Gonzalo Hernandez, Julie Corpus, and Marcelino Monreal Sr.

Margaret was loved by so many and touched countless hearts. She had a heart of gold and would open her home to anyone in need. She loved cooking, fishing with her life partner and brother-in-law, her Big Lou Lou, cheering for her Dallas Cowboys, and most of all, spending time with her family. She was the sweetest woman and truly an angel here on earth.

Margaret attended Austin ISD and graduated from Johnston High School. She also worked as a nurse's aide at Crest Haven Nursing Home before her health

began to fail.

Our hope is that she was welcomed into Heaven with open arms by her parents, grandparents, her son, grandson, and great-grandson, where we know she is loving on them and giving them her famous “ouchie kisses.” We also pray she is reunited with her tias Anita, Pauline, Ruth, and Celia; her tíos Turk, Roe, Pete, Gonzalo, and George; and her cousins Terry, Christina, and Bobby Jr., along with all other family and friends who went before her.

“ Momma! I miss you so much. On Mother’s Day, you told me this was one of your favorite pictures of the two of us. Even though we have hundreds of pictures together, this one was your favorite. Girl, you were and forever will be My Favorite Girl!

I know you’re resting peacefully and reunited with all of our loved ones in Heaven. Kiss Grandma for me and tell my daddy I miss him dearly. I know you and Chris are enjoying one another right now, but please know that I love and miss you both so much.

I’m going to forever miss those forehead kisses, our many trips to Houston to visit family, and all of our talks. I catch myself wanting to call you every day. I still look at my messages hoping your “Good Morning” or “Good Night” texts will pop up.

Girl, you truly did your big one with this life, but I know you were tired and ready to finally be at peace. I promise to forever keep your name and spirit alive. I’m so thankful I was able to give you great-grandchildren, and I loved watching the special bond you had with each and every one of them.

*Keep watching over all of us, Momma, until we meet again.
I love you forever, My Queen 🥰🥰🥰🥰*

“ Ms.Margaret was one of the most kindest loving open heart lively people to be in the company. She took my oldest son James in when he was out there in the streets. Took him in like he was one of her children fed him and everything. He was grateful and thankful for that. That made me feel relieved to know when he was there I know he was in good hands and safe. Him and my younger son Denzel were close to them . James called Chris and Will his brothers. He loved their barbeque and often had them to barbeque a brisket for our family. All of other varieties of eatery were good too . Ms, Margret loved her kids and grandkids and others too. She will be very missed but never forgotten. You can't forget that beautiful smile and that bunches of love that everyone that was around her given. Now she is up there in heaven with so. Chtisa d my big baby James . Rest and continue to watch over us down here in this world with so much going on . Your baby girl the beautiful Shauna is going to keep everyone in line and keep up some of your rituals . Love you infinity.

God bless you .
