“ I will miss you immensely, Mrs. Wright. I will forever hold onto some of my favorite times and memories with you. Edward and I can still remember your beautiful voice on our wedding day. We were so blessed to have you present at one of the most important days of our lives.

I enjoyed our teaching days together in east Austin. Your students always looked forward to your music class. Our chats after class were the best. You always made me laugh when I needed it the most. You taught me to be the best teacher I could be and not to let anyone tell me differently.

I loved our lunch date together at that small eastside cafe. We stayed there for hours, talking about everything. I will never forget going to your shows in downtown Austin, too. So much fun and energy you brought! I was so mesmerized that you knew everyone who came in and they knew you. You just loved good people.

You are an angel to me- now and always. Rest my friend and love you.
