“ *Melissa I have faith that you are in a better place where you no longer have to suffer. It breaks my heart that my niece Desi and her sister won't have you here to guide them . I'm so sorry I wasn't in Desi's life like I should have been as her aunt. I'm sorry I didn't reach out to you. I'm sorry this had to happen to you. I'm just sorry. This is hard . This is sad. I will pray for my niece , her sister, and your family to get through this difficult time. Rest In Peace Melissa.*

“ *My sweet friend....how do I find the words. You fought such a fight. As little girls you were always the quiet friend.... sleep overs and sundays at church. Our girls will graduate together this year... I just don't understand.*
