“ *So sorry to learn of Mellownie's passing.*

I was a young new mother and teacher when I went to work in Round Rock and met here through the school. Even though I met her in 1968 I knew exactly who she was when I saw her obituary. Some people you just never forget - and this lady was one to remember.

A great lady is in heaven for sure.

My prayers are with the family. May God bless you all and take comfort that she positively influenced many people.

“ *Johnson Family,*
I am so sorry for your loss. Mellownie was one of the first people I met when moving to Round Rock in May of 1970. I will never forget her big beautiful smile and infectious laugh. She will be greatly missed by many whose lives are richer because of her. May the Lord hold you in the palm of His hand as you walk through the difficult journey over the next few weeks and months.
