“ *My heart goes out to your family. I had the pleasure of meeting Melvin and he was a wonderful person. I will continue to lift your family up in prayer. May God bless and keep each and everyone of you. Nancy Prevot (Alexandria, La.)*

“ *I had the pleasure of meeting Melvin when he arrived in Austin, TX. He was something else, not once did he allow his condition bring him down. Every visit that my daughter Casssandra and I had with Melvin was great, he always had something crazy to say, and sometimes had to laugh at himself. There was also a serious side to Melvin a caring person, a great listener, never judgemental and shared encouraging word. Melvin, my friend I will miss you. Never goodbye, see ya later.*
