To everything there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die. Ecclesiastes 3:1-2

Michael Charles Staples began his life's journey on September 1, 1963 in Austin, TX as the oldest son of Ruth Staples and the late Horace Deshay. He was the oldest of three brothers whom he loved dearly. Michael accepted Christ at a young age and was baptized at Lone Star Baptist Church in Bastrop, TX. His grandmother, the late Odessa Staples, was pivotal in instilling the love of Christ into Michael along with the entire Staples Family.

Michael was a proud graduate of Bastrop High School Class of 1982. During his high school years Michael played football and ran track. After graduation Michael moved to Austin, TX and worked as a store manager at Diamond Shamrock off of Airport. He worked many years in the IT field at IBM as a semiconductor and later at Selectron. He also did contract work until his kidneys began to fail him in 2018. As an adult, Michael placed membership at Shoreline in North Austin and was a faithful member until his health declined.

Family and friends describe Michael as a kind-hearted, patient, loving man who enjoyed fishing and bike-riding. Michael took his "Uncle duties" seriously

and rarely, if ever, missed a birthday party or sporting event.

On November 5, 2020, in his 57th season of life, Michael surrendered his soul to Christ at St. David's South Austin Medical Center in Austin, TX.

Left to cherish his beautiful memories are: his loving mother, Ruth Staples of Bastrop, TX; his siblings, Pat (Stephanie) Deshay of Cedar Creek, TX; Kenneth (LaNelle) Staples of Bastrop, TX; his aunt, Majorie Staples of Austin, TX; his nieces Christy Fox (Carlyle) of Austin, TX; Christina Castillo (Matthew Felix, Jr. and Amayah Felix) of Bastrop, TX; his nephews Toma Williams, Jr. (Thomas Williams), Solomon Staples, and Seth Staples of Bastrop, TX. Michael also leaves behind a host of cousins, friends, and classmates.

“ *I love you my brother. What a day to find out you went to be with Jesus. Your 1st real Christmas with Jesus. I plan to join you when Jesus calls me home. Thank you for the memories and the good talks we had in the lab. You had the biggest heart and I loved you like my older brother. I know you love your family so much. My brother, I will miss you greatly. Love you Mike.*

“ My condolences to your family, I spent 2 hours on the phone with Michael the week before. He wanted to know how his son was doing. Through the last few years learning about your family and comparing his son to him was enlightening. Andrew had a hard time with the news of his fathers passing. We will be making a donation to the Kidney foundation in Michael's name

“ My heart broke when I saw your obituary in the paper today. I drove by your street recently and thought about how I hadn't gotten a sweet morning text from you in a while. You were a friend for several decades and I'll never forget you. You rank among the sweetest and most gentle of all the men I've known. God bless you and your family, I have a new angel.
