

Michael Brandon Watson

May 21, 1980 - June 20, 2018

Michael Brandon Watson was born May 21, 1980 in Austin, Texas to Michael Paul Watson and Ella Mae Davis. He was an only child.

He attended McNeil High and graduated from Manor High School. He went on to attend Austin Community College, where he earned his Associate of Science in Engineering. He was employed as a Plans Examiner for the City of Austin for six years. He was also the proud CEO of Original Hungry Hill Mobile Convenience Store.

It was 27 years ago that he met his wife and soulmate, Shaunna, at the local skating rink. From that moment on, the two were inseparable. From this union, two children were born: Michael Brashaun Watson and Destin Donnell Watson. They were married in 2002. In 2017, to celebrate 15 years of marriage, Brandon and Shaunna renewed their vows before God in Punta Cana, Dominican Republic. He spent every moment he had with his wife and children. He taught his boys what it meant to be a man, a father, and a husband. He was a good man to all that knew him. Left to cherish his loving memory is his wife, Shaunna Watson, sons: Michael Brashaun Watson and Destin Donnell Watson.

“ *I just opened the quarterly COAERS statement and can't believe my friend Michael's name is listed as passed away. He and I have worked in the same building for 4+ years, and he was always someone I enjoyed talking to and laughing with. The last we spoke he was excited about an upcoming promotion and I was telling him how proud I was to read about his accomplishments in the monthly newsletter.*

I can't believe he's gone. My condolences to his family. He talked about his kids & wife being his motivation to succeed.

“ Cousin,

I will never forget the day you stopped by Carabas to help celebrate my Birthday. I am aging gracefully, so I can't pinpoint which year...lol...however, Lord knows had I known this would happen to You... I would have held on to you a little tighter when I hugged you Good-bye. I would have stayed and chatted with you a little longer before I said "Good-bye. I would have blocked more time away on my calendar, had I Known this would happen to You just to Spend more Quality Time with You❤️ But GOD Knew the day would come and so He Allowed this moment in time to be captured by a camera so that the Memories you helped to Create will Not be Forgotten! Your mother asked me to listen to a Song that encouraged her Spirit and soothed her brokem heart, "It'a Not Good-bye, It's see you later" and as I sat in my seat, experiencing your Eulogy on June 30, 2018, this song played over and over in my mind. Cousin, I Know I will See You Later!!! I wouldn't be disappointed if it is You who holds my hand as I am welcomed into Glory when my time comes. I also Know You are In the Presence of the Lord. It has been Confirmed way too many times to count. I'm sure you and Aunt Lucy are Praising God all the day long and watching over us down here. I Love You so much.I am very proud of the Young Man of God you grew up to be. I have Comfort in Knowing that God makes no Mistakes and He Choice You in Your Mother's Womb, therefore, He chose You before the beginning of time and That's a Reason to Rejoice. I admit, it breaks my heart when I think of what led up to your transition, however, I Trust God and I will continue to Trust God. Brandon, I am not bitter, I am better. I feel your Spirit and I know it lives on. I Love you Cousin. You earned your spot in Heaven. Well Done, God's Good and Faithful Servant🥺❤️🙌🙌

*Love Always,
Your Oldest Cousin,

“ To the family of Michael Brandon Watson,

On behalf of the McNeil High School Class of 1998, I want to extend our sincerest condolences. I, along with so many of my classmates was deeply saddened to hear of Brandon's passing. Many of us had the opportunity to know him from as far back as our days at Pond Springs Elementary, and it was our honor to be a part of Brandon's life.

Brandon knew everyone and everyone wanted to know him. Brandon was known for making people laugh and you always knew you were in for an exciting time if he was around. If you had the opportunity to be around when Brandon and Kevin Cotton would break it down with the latest dance moves at the skating rink, you knew you were in for a treat! These fond memories and so many more will be held in our hearts.

Please know that our thoughts and prayers are with you. While it's difficult to comprehend a world without Brandon, I know that he lives on through his children, the life and love that he and Shaunna shared, and through all of the many people who were blessed to have the chance to know him.

All our love,

Cassidy Dossett and the McNeil High School Class of 1998

“ *Watson Family:*

I was so very sorry to hear about the loss of your father & husband. I remember your dad as being one of the nicest people I ever had the pleasure of knowing when the boys were in school together. In fact, I was just asking Jacob about Michael Jr. not too long ago and asking how he and the rest of your family was doing.

We will be praying for you during this difficult time and please don't ever hesitate to reach out to me if you guys need anything.

Best regards,

The Traudts
