

Miles Roderick Pond

March 10, 2024 - May 3, 2024

Miles Roderick Pond was born alongside his younger twin brother, Mason Pond on Sunday, March 10, 2024 at 11:42 AM.

Although short lived, Miles left a beautiful impact on those who got to meet him. With his silly "gees" and dinosaur grunts, he never failed to lighten up our days. He was a sweetheart and is dearly missed by all. Miles continues to live on through his mother, Ralyssa Pond, his father, Josiah Pond, his brother, Mason Pond, and other close relatives. Today, June 5th, 2024, we will officially be sending our sweet angel home.
