“ *My sincere condolences to the family. I had the great pleasure of working with Norman at the Attorney General's Office. We shared many laughs abt any & everything. I miss all the intellectual convos that we often shared. We lost touch after I left there and for that I'm deeply sorry. I could always reach him, until I couldn't... May you rest, eternally Dear Friend! 🙏*

“ Norman was given the west African name *Teni Akeem Abukari* when a group of us at CSULB decided we would explore our African heritage. Needless to say; our parents weren't enthused at our name change so we vacillated between our “government name” and our African one.

*Teni was a staple in Long Beach. Ever ready to cook a pot of chili beans or chicken enchiladas pie to feed a flock of starving students. We had so much fun back in the day, meeting people from around the world and taking part in campus activities. BTW Norman earned two BA degrees from CSULB simultaneously. He was a wonder! But he did this because he was Noial and Lee Edna's son!*

*We stayed in contact with one another all of his life and through our friendship I was able to meet and come to love many in his family. My life and countless other lives was made richer by knowing him. I'll miss my friend Teni! But I know this, by whatever name we are called God knows us all and when the time is full we will all meet again.*

*Love you my brother! Gwen Francis-Williams aka Ekowa A. Kenyatta.*

“ *My condolences to the family. My grandmother wouldn't let me go to any thing without "Slick" and Cecil Queen,when I lived with her. I was older than they were. He was always a friend!*
