“ Sending my sincere condolences and prayers to the family. Mrs. Green always had a pleasant word and friendly smile when she would see you, even if she had not seen you in years. Growing up in the St. John's community everyone was like family, we all knew each other.... she remembered our faces and always called us "baby" and would always have some encouraging words for you and would ask "how's your mama". Thought this beautiful soul would live forever..... Rest in peace
