“ The smile then the hug will be missed. She was a people’s person and the entire neighborhood loved her. Her presence was known when she walked into the room. Her memory will live forever. To the family, Thank you for sharing her with us. Heaven has gained a beautiful angel who will continue to watch over us.

“ RIP. I only met you recently. We were at bingo and your daughter Sonya name came about the pickles lol and you introduced yourself to me with that caring smile 😊 and told me that was your daughter. And the proudness you had in your voice for your baby girl was well respected. We talked and played bingo and you were talking to me like we knew each other forever.thank you for that. I remember telling you that your daughter was married to My cousins son and you said what a great son n law he was. You had a that gift of friendliness that I'll never forget. Rest My friend 😊

“ My dearest cousin (more so Ainie as we all called you) who has always shown me love no matter what! I'm so grateful to have been blessed with such a beautiful person and many meaningful moments with you 💔💔 and while they will all be treasured I will miss your kind words and balance you always displayed when we talked. Your laughter and mess talking could call all the attention in the room and brighten anyone's day !
You will truly be missed by me and the entire family
You have had a beautiful and blessed life rest well Ainie
Gone but never forgotten 💔💔
