Patrice (Pat) F. Boyd was born on March 3, 1957 in Bronx, New York. She graduated from Andrew Jackson High School in Queens, New York in 1975 and attended Long Beach City College in California. Following college she continued to reside in California and enjoyed a long career with the Veterans Administration. In 2014, Pat moved to Round Rock, Texas to be closer to family. She transitioned from this life peacefully on March 27, 2021.

Pat loved life and made a concerted effort every day to embrace it to the fullest. She was full of energy, and she loved to laugh. She accomplished anything she set her mind to do. She was a stylist, a seamstress, a creative decorator, and an excellent cook.

Her interests included gardening with her husband, reading, traveling, dancing, shopping, swimming, and playing Bingo. She devoted much of her time, love, and energy as a caregiver to family members and others. Patrice had a magical way of making everyone feel like they were her favorite. She always loved spending time with family and close friends. She was the best supporter and cheerleader!

She also loved reading the Bible and sharing God's Word. Her hospitality was

like no other. Pat would give you the shirt off of her back. Her passing has left a huge hole that will not quickly be filled.

“ *I knew Pat and her sister, Donna, way back when we were all living in Queens NY. Was so caught off guard and feel the families pain of losing a loved one so soon...I pray for continued healing and understanding as the days come with unexpected but joy g up memories...God Bless*
