“ You'll forever be missed, I'm so sad that it was sudden and we didn't have time to say goodbye but that just lets me know it's not a goodbye it's until we meet again. I'll defiantly miss our long conversation, you always had a way of turning things around and making me see the brighter side of things. We love you, but we'll forever cherish our memories of you.

Love you Grandpa-
YFG
