“ I am wondering if this is my childhood friend from West Virginia. We lived in Crystal Block. He had a brother by the name of John I think. I am 82 , born August 27, 1942. My name is CORA LEE (PHILLIPS) HAIRSTON. I still live in West Virginia, about 5 miles from our little hometown.

“ *Randy and I met in High School in Winston-Salem, NC. He was just one of the guys, fun loving, serious about what his school work and really a very nice guy. After high school each of our classmates went their separate ways. Randy and never say one another again until we met for our 50th Class Reunion...It was great ! Since that reunion we have spoken over the phone many times and have maintained connection. To Delores and the family, I continue to pray for you; be assured that Randy is alright...he is with our Lord and Savior, Randy's work on this earth is DONE !! Go YE NOW IN PEACE !!*

“ Delores, you indeed were the "wind beneath his wings". Never a day went by that I didn't hear your name out of his mouth. He worked with me at McCallum High School and I always knew exactly what he thought about an issue, but he always did what I asked him to do. After bringing a gentleman, from the CIA, to my office and staying with me as we deduced this man had been off his medication, Randy left and called AISD police and then stayed outside my door for support if I needed it. I would get mad at him but I loved him dearly. Delores, please let your memories and faith guide you through this grief. He will be remembered by all who knew him. Love, Penny Miller. (Mother)
