

Raven Simone Blest Guyton

December 13, 1996 - July 22, 2020

At Peace

At the end of the day, I'm at peace, because my intentions were good and my heart was pure.

The Cowgirl

Raven Simone Blest Guyton, was born Friday, December 13, 1996 to her parents Rochelle Demps and Datin Guyton Sr. in Austin, Texas

Raven professed a hope in Christ at an early age, at New Lincoln MBC under the late Pastor A. R. Evans. She was an active member in the youth department.

She attended AISD public schools whereas she graduated from Reagan High School in 2015. She not only succeeded but excelled in every sport she played her entire High School career. After graduating Raven attended Otero Junior College.

Raven will always be known as our favorite feisty cowgirl. The life of the party with a pure heart. With her one dimple, radiant smile and infectious laugh, she could without a shadow of a doubt brighten your day and melt your heart. She believed that this journey she was on called life needed to be lived and with no regrets. She did just that lived every moment to the fullest without anything

getting her down.

On February 6, 2018 , Raven received her greatest blessing and biggest accomplishment when she became a mother. A'Lon Josiah Morris was her best friend, heart and life. You couldn't tell her nothing about him and vice versa. Raven was a wonderful mother with so much love for her son that can't and will never be replaced. For he will always know the love his mother had for him.

Left to keep her name and spirit alive is; Her beloved son A'Lon Morris, Parents; Rochelle Demp (LeDrue Demps), Dattrin Guyton Sr, (Denise Guyton). Siblings; Dattrin Guyton Jr., Khadijah Muhammad, Peyton Guyton and Fredrick Crittendon Jr. Grandparents and Great Grandparents; Cleveland Alexander, Essie Guyton, Cynthia Alexander, Rosie Watterson, Milton Guyton, Baby Ray Henry and Olivia Sparks. Auntie and Uncles; Taneka Perkins, Alan Guyton and Chris Perkins. Nieces; Devan Guyton and Paizley Crittendon. Lastly a host of cousins, friends, other relatives and all the trail ride organizations.

“ Rayven , I want to start off by saying I love you . Within the short time of knowing you , the memories we made make it feel like a life time. You were introduced in my life through a mutual friend and love me no different. From the long talks on face time EVERY morning while you were at work or the car rides to trail rides and late night slumber parties. I’m going to miss it all . You were the type of person that stood by a friend completely in all aspects of life. You just wanted the best for ANYONE and EVERYONE around you ☐❤️ Ravo I will hold on to everything you taught me and every memory . I love you Rayven Guyton aka Yung ravo aka ms. Pressure ❤️🙏🏻👉🏻

“ *Baby girl, I don't even know where to begin. I have so many great memories of you. How I started out as just your teacher, then by week two or three I became your auntie because of the connection of me knowing your family. You shared your hugs with me, made sure my hair stayed in place, and even was my mini protector. Raven, forever in my heart you will be. I love you and will miss you dearly. I can see you smiling at me right now, even as you rest your head. I pray for your sweet baby boy, your parents, family, and friends. Rest well beautiful, you're a shining star! PS: Thank you for the notebook!*

My heart is sad and I feel speechless in losing my former student/friend who has been taken to soon. Raven was an amazing young lady. Tough as nails and would never back down from a challenge. We shared many fun times, battles of wills, celebrating life and trials together. Forever my GURL! When I went through a storm that took me off course, I will never forget she was one of the only two individuals that reached out to me and said, "Coach I got your back" and she did. I will always cherish our conversations, volleyball practices and those towels you ladies loved so much. I was so proud to watch her grow up, begin a career and become a loving mom. I loved the fire in your heart that made you Raven and no one could ever take away your passion for life and standing up for yourself. I am sure our Heavenly Father will find a place to continue to use the gifts He blessed you with. Prays and condolences to your family at this moment that no words can comfort their hearts. Raven, you may be gone but never forgotten. Love and Hugs, Coach Deyo!
