“My sweet, beautiful, amazing Auntie / G Mama. I am absolutely going to miss sharing Sunday worship service with you 😔😔. The church is feeling this loss greatly. I am going to miss texting you to find out whether or not you can hear me and pastor . You are our sound technician all the way in Texas. One thing though I take joy in is knowing that one day I will see you again but for now you need to rest and get ready to protect all of us 🙏. You're going home to be with the Lord and I can name more people but we don't have time 😭. Sleep on auntie and take your rest know that I love you down here but I know that God loves you best. Please tell Jesus, my mama and daddy, and all of our family that have paved the way for our future I said hello 🙏 and I love 💕💕 them. This is a definite blow for us all in ways that we may not be able to communicate out loud but we all know that she is definitely making us some butter biscuits from scratch in heaven 😭. If you know you know 😊😍😔😔 . Let's love on her memories for sure 😊. I love you cousin/uncle B, cousin Henry, and cousin Sharon with all of my heart and I pray that God gives you all peace and an abundance of his grace. I love love y'all 😔😔😔🙏🙏🙏💕💕💕
