“ Rodney looked after his mother in the manner the Lord prescribed. He was faithful to her. Also was a good role model for the great grandchildren. I will miss him when Shepherds Heart would deliver groceries to Helen. May God raise up people of faith to look after his mom and dad.

“ Not a birthday, Christmas, Valentine's Day or Mother's Day would go by that I didn't receive a card from Rodney. I was always greeted with a smile and a hug. He was one of a hand full of people who called me by my given name. He knew I hated it but he would almost sing my name so I couldn't do anything but smile. I will miss him dearly.

To Ms. Helen, Mr. Billy and the family, please know that you are in my prayers. I pray that the joyous memories you have of Rodney will be of great comfort to you during this difficult period.

“ It was a chance meeting, a Taco Cabana in Dallas and who do I run into, Rodney J. It ended up being a reunion with his friends/mine and I was so happy to see him and talk about Taylor. Hard to believe, just one year later, he is gone. Life is that fleeting but I do believe he lived it loving it and sharing it with others
