“ *Ray you will be missed. Thank you for being such a great friend for almost forty years. Minerva, the kids and I always treasure you in our lives. I hope you see every Tigers World Series for eternity. Way too many memories to share here, but know I will always keep them. Love Charles*

“ *When I was in law school I went to work at the Attorney General’s office. I worked some cases for Ray. He was super helpful and patient. I learned a lot from him. He treated me as a fellow professional to be and not some student he was stuck with. After graduation we would see each other at the court house and pass the time. A good man and a really good lawyer.*
