“ *My dear sweet sweet Ruby I am going to miss you terribly! We had so many fun times working together at PPD. I was so happy that we continued our beautiful friendship several years after I left. I will forever keep our last text it was the day before you passed. Our last words were I love you and you responded I love you more.... to Ruby's family... my love goes out to all of you. I don't have to tell you all what a special lovely lady she was. She always gave of herself selflessly never expecting anything in return. She loved deeply, always taking care of others. She will be deeply missed by everyone she has touched. Ruby you will always be in my heart forever.*

“ *I am just hearing about this and my sincere condolences go out Ruby's family. I grew up with Ruby in Greater Union Baptist Church. It's hard to believe someone so young and sweet has left the earth. May her spirit live on and may she rest in peace. Until we meet again....- Lori A. Stanley (formerly Clark)*
