“ *I didn't know Mr. Brazell, but someone who loved him placed the sign from his memorial service on a large popsicle stick held upright by rocks on a street corner in my Milwood neighborhood in North Austin. It had the American flag in the background and said he was a Marine. He must have been very loved for someone to do that, and grief is so hard. Every day I walked by that sign, I made sure to stand it upright and straight again to honor Mr. Brazell and take care of that small memorial for the person grieving who placed it there. I hope whoever you were, you have found some peace, and that it brings you comfort to know your gesture to honor him brought him into someone else's life.*

“ I had the pleasure in getting to know Mr Brazell. He always had something to tell me usually, making me laugh. He was a true artist. Just yesterday, as I was walking through our facility, I saw his signature drawings. Yet again bringing a cherished smile to my face. Please know he will be dearly missed and touched all of our hearts in his special “I’m Samuel Brazell” way. Thank you for allowing us to get to know and care for your loved one.
