

Sandra DaVette Bouldwin

September 14, 1960 - April 22, 2020

Sandra Davette Scroggins Bouldwin born September 14, 1960 to Vanilla Clay Scroggins and David Scroggins in Austin, Texas passed away on April 22, 2020.

Sandra attended Sims Elementary, Pearce Middle School, and John H. Reagan High School. She met and found her Soulmate in the 7th grade, the love of her life Joseph “Joe” Bouldwin Sr. She and Joe became inseparable. After completing high school and going off to college, Sandra and Joe reunited to form a perfect union and were married in holy matrimony. To this forty year union they were blessed with two children, a son Joseph “Jojo” Bouldwin Jr. and a daughter Dianta “Scooby” Davette Bouldwin. Sandra's love for her husband and children was immeasurable, she was the perfect spouse and mother... She stood beside her husband at all times even if he cheered for the wrong football team*the Cowboys"... she cheered too. Her children were the very beat of her heart, in good times or bad her love and full support for them never wavered.

Sandra mastered the art of sign language, and was a beloved caregiver for blind, deaf, and disabled children at Texas School for the Blind and Visually Impaired. Assisting individuals with their daily routine and guiding them into a world of self-sufficiency was her passion.

An earth woman at heart, she loved and respected mother nature and animals. Her hobbies included planting vegetable and flower gardens, cooking, beautifying her home, listening to great music while spending time

with her family and bird watching. She even set up bird baths and feeders everywhere... She said the birds needed a place to stop eat and get a drink. Even on the day of her passing baby birds hatched in a flowering pot that she seeded and cultivated with her love. Between the birds singing and the wind chimes hanging around the house there was always a sound of tranquility. Together she and Joe worked harmoniously to build the perfect home for their family.

Holidays were a special occasion where she loved to host Thanksgiving dinner, spending countless hours cooking and planning. Famous for her special recipe Turkey and dressing and warm apple cider. She greeted everyone with that warm hug and smile saying "Come on in there's plenty of food at the table, grab a plate". She loved her family and she always insisted everyone was full. After everyone was fed she made sure everyone danced to the "Family-Wave"...it was her version of an old Soul Train line. She would start the music, gather everyone into the dining room and dance her heart out even if she was the only one. She loved it.

While her health permitted she was in church every Sunday. Sandra allowed God to order her steps, God first, family next. Her favorite Gospel song was "I Can Only Imagine". She enjoyed her current church family especially the teachings of Pastor Gaylon Clark.

Always smiling and in good spirits, she was pleasant to be around and loved by all. A true blessing.

She was predeceased by her mother Vanilla Clay Scroggins, father David Scroggins, mother-in-law Veola Bouldwin, brother-in-law Glen Bouldwin, her beloved dog Brandy.

She leaves to cherish her memory her loving husband Joseph Bouldwin Sr., one son Joseph Bouldwin, Jr. and one daughter Dianta Bouldwin. Three Sisters: Janet Marshall (Eric), Felicia Scroggins and Nina White; uncle Harvey Scroggins (Bernice), father-in-law Johnnie Lee Bouldwin, and a host of brothers and sisters-in-law, nieces, nephews, cousins and many friends and co-workers

“ I was a substitute worker at the School for the Blind & worked a good bit with Sandra. She was always so bright & cheerful, upbeat & friendly. And she cared so much about the students she worked with & was fully invested in doing a great job. And the students just loved her, too, because she was so much fun. One time she was doing a comical cheerleader routine for them, & she was going "over the top" to entertain them. She didn't realize the Comp B supervisor had walked in behind her & was also enjoying the show until the girls gave it away. Also, anyone who knew Sandra knew how much she loved growing flowers & vegetables, & how much she loved Christmas. Everyone who knew her will truly miss her.
