SEAN ADRIAN HENDERSON

Our beloved Sean passed away on August 19th, 2021, at the age of 37 years old from injuries sustained in a motor vehicle accident in Austin, Texas.

Sean's life may have been cut short, but he touched the hearts of many with his infectious smile and his gregarious personality.

Sean never met a stranger. He loved everyone and he was kind and very respectful to everyone that he met. He has touched many lives in life and now in death.

Sean was born in Austin, Texas on September 8, 1983, to parents Sean and Selina Henderson.

After his parents separated in 1985, Sean's mother Selina would go on to remarry in 1987 to Tony L. Robertson. Tony accepted Sean as a son and raised him as his own providing love and support throughout his life.

Sean attended the Leander School District and graduated from Leander High School in 2002.

Sean was a loving son, father, brother, grandson, uncle, nephew, cousin and a friend to many. Sean loved all his extended family.

Sean professed Jesus Christ as his personal savior at an early age at Mt.

Sinai Baptist Church under the leadership of Pastor A.W. Anthony Mays. Sean

was very active in the youth department from 1900 to 2000 at Mt. Sinai, and he served as a chaplain for the St. John District Association for the youth. He was part of the Nationally Recognized Drill Team of Mt. Sinai Missionary Baptist Church from 1990 to 1995, He was known to always be a participant in Mt Sinai youth department programs under the leadership of his grandmother, former Youth Directress, Cleola Hawkins.

Sean saw the beauty in the world, nothing was ugly or distorted, and at the end of his life he wanted to give back by being an organ, eye, and tissue donor ~ HE GAVE THE ULTIMATE GIFT. By Sean's gift, lives have already been transformed, he has turned loss into hope. With Sean's gift of life, he was able to donate both lungs, both kidneys, liver, heart valves and his corneas. No one knew the super rare blood that Sean had until this sudden tragedy and his last wish of being a donor. Sean's blood type was A2B, there are only .9% to 1% of the people in the world with this blood type, he has already helped over 25 lives to be restored. His life was cut short, but his life will live on. Our Heavenly Father knows what is best and our God has the final victory.

Sean will be missed everyday by his mother Selina Robertson and Tony Robertson and his father Sean Adrian Henderson, Sr. His daughter Aubrielle Henderson, Sisters Natasha Plair (Demetris), and Alexandria Robertson. His brothers Darius Rogers and Adrian "Mickey" Henderson. His grandparents Hiawatha C. Franks, Sr. (Ms. Deloris), grandmother, Cleola Hawkins, grandfather Leon Robertson (Ms. Marsha), his loving nieces and nephews, uncles, great uncles and aunts, cousins, and many many loving friends. We know that Sean is now with his nana (Sandra Franks), grandmother and grandfather Edie and Melvin Williams, and his loving great-grandparents Hiawatha T. Franks, and Thelma L. Franks.
