“ We met at work when we were thrown into a classroom together. We just clicked & that week is one of my all time favorite times in my career. For the next 20 years she gave me care, support & encouragement in every aspect of my life. She would brighten my whole day by her big, beautiful smile when we'd meet for break or just in the hallways. I will be forever grateful that the last time we saw one another, we gave each other a big bear hug & said “I love you!” I will both keep you with me & miss you for the rest of my life.

“ To the family of Sis. Sharon Ann Peterson, extend my heartfelt sympathy and condolences in the transition of your loved one. Sharon and I met at IRS several years ago. She didn't mind letting you know she loved God and she loved her family. May the peace of God comfort your hearts knowing you who believe and serve as she did will see her again. Precious in the sight of the Lord is the death of His faithful servants.
