“ *I worked with Steve for 10 years. Also stayed in touch often after he retired. He would listen to me complain about work and I would get to see the fish him and friends got to catch in his tank. Steve was a good man. One of the smartest,hardest workers I've ever been around. In me and Steve's day this is the biggest compliment you could pay a working man. Steve did everything right to enjoy his retirement. Nothing about this is fair. Saw tears come to grown men's eyes when they found out. Same as me. He texted me on Christmas Day. I could tell he was in a good mood. RIP STEVERS.*
