“ Uncle Skeeter has been my dad's forever friend my entire life. He recently laid the carpet in daughters room so we were able to catch up. My brothers and sister and I loved him dearly. Rest easy Uncle Skeeter!

*I have to say I'm still a little dismayed at the absence of my dear friend. Having just talked with him on last Friday, only to get word he was gone on Sunday is something. We met at Huston-Tillotson College so many years ago...yet we remained the best of friends. He would check on me and I him. My prayers go out to his siblings and family. He will truly be missed. That smile, sense of humor and everything that made him who he was. Miss you my friend!*
