“ *I have just learned of Tim's passing. I am so sorry for your loss. I would put Tim up there as one of the nicest people I have met in my life time. I got to know him thru work. He would often come into my work to do copier repairs and we would end up chatting with one another for awhile. We often talked about our kids and what was happening in our world's. Once again, I am truly sorry for your loss. He will be greatly missed!*

“ *To the family of Timothy McCabe - please let me say I'm so sorry for your loss. We work in Building 2, Suite 275 and even though we did not know him, we were all affected by this tragic accident. Please accept my thoughts and sincere prayers for your loss.*
