“ *Tony and I worked together for 8 years. He was a great guy and a pleasure to work with. I was deeply hurt when I got the news of his passing. All of the ZWS employees will miss Tony. He had the ability to make us laugh, or make us shake our head as in "No he didn't".*

*Tony had a zest for life. I often called him the Social Butterfly. He never met a stranger. He touched many people during his short time. I will always cherish the memories of Tony with a smile on my face.*

*My condolences to Shakita, Pearl, Saniyah, Jessica, and all of the Satterfield Family. My thoughts and prayers are with all of you. I hope that you can find comfort in knowing that Tony was loved by so many.*

“ My brother/friend Tony,  
I still can't quite the fact that you are not here.  
You were such an integral part of Barkley  
Elementary School. Your laughter and hi- jinx  
will be missed. I slow down now when I'm  
passing the cafeteria, waiting, just waiting for another glimpse of  
you. My heart aches at the realization that we'll have no more  
sparing/dueling matches about our prospective is e teams. You and  
the Cowboys and me and the Patriots, the greatest team ever!  
Apologies, had to get that last dig in.  
The Apostle Paul said it best, it is better for us if you stay, but better  
for you to go, so that you can be with the Father, the one who is  
above everyone else.

**LET THE BELOVED OF THE LORD REST SECURE IN HIM, FOR  
HE SHIELDS HIM ALL DAY LONG, AND THE ONE THE LORD  
LOVES RESTS BETWEEN HIS SHOULDERS. Deuteronomy 33:12**

*so it is with only that you are resting with Him, that my soul can be  
at peace about your leaving...I love you, you'll always be in my  
heart.*

“ This entire occurrence is surreal to me and I am in profound grief, as is any and everyone that knew and loved Tony. Many times he described me as "his at work mother". I meet him on his first evening working with the Fort Campbell school system when he walked into my classroom, after school hours, and introduced himself. We had an immediate mother and son bond that existed until the last day that I saw and talked to him, which was Friday January 26, 2018. He visited me during my planning period as he was leaving the building everyday, unless one of us was not at work. Not seeing him in this building everyday will take a lot of time to get past. My condolences to ALL of US that TRULY LOVED him...

“ So sorry for your loss; know that we loved Tony at Barkley Elementary School. I'm still thinking it's a bad dream and Tony is going to jump from behind something and scare me as he always did. The last time I talked to Tony was that Friday and he said, "Louisville what's up for the weekend". Gone but not forgotten. RPI my friend.
