“ *I'm just now hearing the sad news. My deepest condolences to the family. I will forever remember Wanda and I would eat up some stuff when we worked at Frans hamburgers. She kept us all laughing. God chose his angel*

“ *I will be forever grateful that I had the privilege to meet (and get to know) Wanda. She was truly a unique individual that I looked forward to seeing often. I will miss her smile and her spirit. Please know I am praying that your memories will sustain you during this grief journey you are on. Be comforted in knowing that she was loved by many!*

“ *To the family,*

Wanda was such a beautiful soul and she never met a stranger. She was my classmate in Granger and she was so funny. I will miss her beautiful smile and personality. Fly high lady until we meet again. RIP. My deepest condolences to the entire family and Be Blessed!

“ *My condolences to Wanda's family. Wanda was always there to support and celebrate with you whatever it was, your birthday celebration, baby shower, family reunions and so many more, she was ALWAYS there. She was definitely an outgoing live spirited young Lady who family and friends will ALWAYS remember her as such. Rest in Peace Wanda, Rest in Peace.*
