He received his formal education in the Austin Independent Schools, and culminated at the Austin High School. Willie began his relationship with Christ at an early age at First Baptist Church. The Family extends sincere gratitude for all acts of condolence shown during their bereavement. Your many kind deeds and expressions of sympathy are truly appreciated. May God hold you Mine each of you.

When I Last Saw

I wish I could see you one more time, Come walking through the door. But I know that is impossible, I will hear your voice no more.

I know you can feel my tears, and you don't want me to cry. For my heart is broken, because I can't understand why someone so precious had to die.
