“ *I just want to say thank you Granny. Thank you for all the talks, guidance and love you've given me as a young lady. You taught me about food, getting myself ready for church on Sunday morning and so much more. I'm gonna miss your smile the most. You could make me laugh from just your laugh alone. I miss your sense of style and how you matched your Sunday tops and skirts. You were such a people person. You could talk to just about anybody and they would listen. Granny I just wanna thank you. Thank you for everything you've done for me. I want you to watch over this family. You will be missed.*

“ *My grandma Mrs. Willie Hargers taught me a lot and showed me how to carry myself as a lady should. For that I'm internal grateful. She taught me how to cook , play card games, clean, dress for any occasion, love myself, and be my own person. She was, and will always be my bestfriend and I will miss her dearly.*
