“ My heartfelt condolences to the Wright family. Willie Sr. Was a good kind hearted person, on a personal level I seen and knew of his caring side. Willie spoke his mind and had no problem expressing his feelings an thoughts. From his COA mechanic days, and times we shot pool together (1990), until the time we had our last luncheon March 2023 he was so funny, direct and always keeping it 100 on how he felt. He will definitely be missed. Rest In Peace cousin. God bless this family during this time.
